UNIVERSITÀ DI ROMA

WIRS YOUNG SCIENTIST EVENT “EMPOWERING WAVES: THE RADIANT ROLE OF WOMEN IN RADIO SCIENCE”

FEBRUARY 16th 2024
FACULTY OF ENGINEERING, SAPIENZA UNIVERSITY
VIA EUDOSSIANA, 18 - ROME

Link for registration:

<https://forms.gle/KRawDdTydFCApwJ39>

Steering Committee:

Laura Caramazza, Micol Colella, Simona D'Agostino, Noemi Dolciotti, Sara Fontana, Carmen Pisano
DIET, Sapienza University of Rome

Programme

Opening and welcome

- | | | | |
|--------------|--|---|--|
| 10:45 | Prof. Maria Sabrina Sarto ,
Sapienza University of Rome,
Deputy Rector for Research | Prof. Carlo Massimo Casciola
Sapienza University of Rome ,
Dean of the Engineering Faculty | Prof. Massimo Panella
Sapienza University of Rome,
Director of DIET |
| 11:00 | Prof. Giuliano Manara
University of Pisa,
Vice-President of URSI International and
Scientific Secretary of the Italian URSI Commission | | |
| 11:15 | Prof. Micaela Liberti
Sapienza University of Rome,
Chair of the <i>WIRS Italian Chapter</i> | Prof. Alessandra Costanzo
University of Bologna,
Co-Chair of the <i>WIRS Italian Chapter</i> | |

Workshop - Empowered women: Roles of Excellence in Science and Industry

- | | | | |
|--------------|--|--|--|
| 11:25 | “The ERC Challenge: Why It's Important to Get Involved - My Experience in European Funding Research”
Dr. Anna Guerra
IEIIT-CNR
Winner of ERC 2023 starting grant | | |
| 11:50 | “A journey through biomedical engineering and electromagnetism, fueled by passion and a lot of determination”
Dr. Rosa Scapatucci
IREA-CNR
Winner of PRIN2022 as PI under 40 | | |
| 12:15 | “Impact of international associations on the career in scientific research: my experience”
Dr. Valentina Palazzi
University of Perugia,
IEEE MTT Administrative Officer: Secretary & URSI Commission D: Early Carrier Representative (ECR) | | |
| 12:40 | “Young and Women in Astrophysics in Italy: Is It Possible?”
Dr. Maura Pilia
INAF-Cagliari Astronomy Observatory
Awarded as <i>Donna di Scienza Giovani 2022</i> | | |
| 13:05 | “Bridging Worlds: A Scientist's Journey from Academia to Industry”
Dr. Simona Salati
IGEAM Medical S.p.A.
Research coordinator | | |

13:30 - 14:30 Lunch Break

14:30 - 16:20 Round Table - Empowering Voices: Discussing the Women's contribution in Radio Science

Moderators: **Dr. Francesca Benassi**,
University of Bologna

Dr. Simona Di Meo,
University of Pavia

Dr. Michela Longhi,
University Niccolò Cusano

16:20 - 16:30 Closing and remarks
